The undersigned (hereinafter called the Member) hereby applies for participation in the Pre-Pay Program offered to members of Tri-County Electric Cooperative (hereinafter called the Cooperative), and agrees with the Cooperative to follow the following terms and conditions:

1. The member shall purchase electric energy from the Cooperative in accordance with the present and any future rate schedule of the Cooperative on a Pre-Pay basis for the above referenced account.
2. The member understands that the terms and conditions set forth in the member's Application For Membership continue to apply in addition to the terms and conditions of this Agreement and Pre-Pay Program, subject, however, to any changes set forth in his agreement.
3. The member shall pay any membership, transfer, connect and/or applicable fees as set forth by the Cooperative as may be required for the member to participate in the Pre-Pay Program.
4. Any deposit fee previously paid by the member to the Cooperative will be applied to the member's outstanding balance at the commencement of participation in the Pre-Pay Program and any credit remaining after application of the deposit fee shall be applied to the member's Pre-Pay account balance.
5. As a result of participation in the Pre-Pay Program, the member will not be mailed a monthly statement of electric usage or other applicable fees or charges. The member understands that communication from the cooperative will be via e-mail, phone call, or text message. The member shall expect and be responsible for receipt of daily balance notifications and possible disconnection notices.
6. The member shall be responsible to regularly monitor the balance on the Pre-Pay account and understands that electric service will be subject to disconnection without any written notification from the Cooperative to the member once the balance of the account reaches zero(\$0.00). \$20.00 plus the amount owed is required to reconnect.
7. The member shall pay any return payment fees and service fees and, further agrees that all such applicable fees are required to be paid in full before any member payments are applied to the balance of the Pre-Pay account.
8. The member understands the medical and health conditions of any person located at the address where service is furnished by Cooperative and/or inclement weather conditions or temperatures will not postpone disconnection of electric service.
9. Pre-Pay accounts shall not be eligible for payment arrangements with the Cooperative and energy assistance shall not be applied until documentation is received from the agent and is noted on the member's Pre-Pay account.
10. The member authorizes the Cooperative to transfer any outstanding balance from the members account with the Cooperative to the Pre-Pay account and, further, agrees that twenty-five percent (25%) of all payments made to this account in the future shall be applied to the balance until outstanding balance is paid in full.

*I have read the Pre-Pay Participation agreement and accept the terms and conditions of the agreement.*
