Scholarship Criteria

- The recipient must be an active member of TCEC, the spouse of an active member or the child or grandchild of an active member, if the child or grandchild lives in the Cooperative's service territory.
- The recipient must be enrolled in an accredited program, either full-time or part time.
- The recipient must be an undergraduate student only.
- The scholarship fund will be in the form of a grant program with funds being paid to the college, university, or vocational school.
- A person may submit an application each year, but previous winners are not eligible for a second scholarship.
- The scholarship fund will provide up to \$1,000 for each scholarship winner's education expenses. The number of scholarships awarded will depend on the fund earnings.
- Scholarship use must commence within one year of date of issuance and be totally utilized within two years of the date of issuance.
- The scholarship may be used at any two-year or four-year accredited college or university in Florida including vocational schools.
- A combination of need, academic ability and community contributions will be used in determining scholarship winners.
- An appointed committee will judge scholarship applicants.

Please attach the following:

1. Picture ID
2. Acceptance letter to confirm admission to a Florida 4 or 2 year college or technical school.
3. Complete official transcript from high school
4. Results of SAT or ACT, if applicable for program.
5. Formal letter with reference to future plans, goals, community involvement and reason for applying for the scholarship.
6. 1 letter of recommendation from high school principal or guidance counselor.
7. A 500 word essay on one of two topics.
 - a. Why are electric cooperative still relevant today?
 - b. What can electric cooperatives do to help improve quality of life for our community?

Due May 1st, 2018
